

As one of the few venues in the Philadelphia region that can comfortably accommodate up to 2,000 guests for a cocktail reception (1,000 seated dinner), we offer over three acres of paved free parking, so why would you look anywhere else? We also feature two private conference rooms to host meetings.

Your guests will enjoy fine dining and entertainment surrounded by 65 of the world’s most beautiful and famous racing sports cars. The Simeone Museum was voted best automotive Museum in the world by the International Historic Motoring Awards in London. The cars and the surroundings are attractions that have made the Museum a “must see stop”.

Our 78,000 square foot space can be partitioned to your exact needs, so whether you are planning a corporate event, car club lunch, meeting, birthday party or wedding in a more intimate setting, we can provide you with exactly the right amount of space to make your event a success!
